

Tithing Commitment Form

(This form will be shared with your Tithing Coordinator to celebrate your achievement!)

I _____, in recognition of being a devotee of Paramahansa Vishwananda, make the commitment to tithe 10% of the amount remaining after my living expenses are met.

If I have no amount remaining after living expenses, I commit to finding creative ways to tithe by reducing monthly living expenses, finding new income sources, etc. and to tithe on any unexpected income, each and every month.

Gurudev has made it clear that tithing is an important part of being one of His devotees, and I want to fulfil that responsibility. I understand that tithing is a spiritual practice that can deepen my relationship with God and *guru*, and I am eager to experience the difference that tithing can make in my heart and in my life.
